Walsgrave Weekly - 06.11.26

Welcome Back Everyone!

Welcome back to all our Walsgrave families! We hope you had a wonderful half-term break and enjoyed some special time together. It has been lovely to welcome the children back into school this week, full of smiles and ready for another exciting half term of learning.

This half term, our Christian value is Endurance. We will be exploring what it means to keep going when things become challenging, learning from our mistakes and encouraging one another along the way. This links beautifully to our school vision, Together We Thrive, as we continue to belong, grow and learn together.

We have lots to look forward to over the coming weeks, including our exciting Growing Day on Friday 13th November, when children will have the opportunity to explore different careers and dream big about their futures!

Thank you, as always, for your continued support. We are looking forward to another fantastic half term together!

On Tuesday, we were delighted to welcome The Myton Hospices into school to launch our exciting Big Bedtime Challenge! The children learnt about the incredible work that Myton Hospices do to support local people and their families during difficult times. We explored how something as simple as a bed can mean so much more – providing comfort, care and dignity when people need it most. We are now inviting all our children to take part in five fun bedtime challenges, including reading a bedtime story, tidying their toys and getting ready for the next school day. Through sponsorship, we hope to raise money to help Myton continue their wonderful work.

Please take a look at ClassDojo for further information about the challenge and how you can get involved.Sponsorship envelopes should be returned to school by Wednesday 18th November. Thank you for supporting this fantastic cause. Together, even small acts of kindness can make a BIG difference!

COLLECTIVE WORSHIP

This week, we introduced our new Christian value of Endurance through our assembly, Ready, Steady, Go! – The Race of Life. We explored how endurance isn't about being the fastest or getting everything right, but about keeping going when things become difficult. Inspired by Usain Bolt's determination and the Bible verse Hebrews 12:1, 'Let us run with perseverance the race marked out for us', we reflected on the importance of practice, patience and encouragement. We reminded the children that, at Walsgrave, we don't have to face challenges alone. By supporting and encouraging one another, we can all keep growing and learning together. Our challenge this week is simple: try again, ask for help or encourage someone else to keep going!
